

### 50.25.06. Play figure Goat

	approx. 85 x 35 x 65 cm (L, B, H)
---	-----------------------------------

Our “Goat” was originally designed for a traditional alpine playground, and has since become one of Ziegler’s most popular play figures. With its finely crafted forms and colourful touches, this playground companion is a hit with young children in particular – an easily recognisable addition to add unique character to any playground.
