

7.08. Dwarf Village with Slide

	from approx. 3 years of age on
	approx. 400 x 330 x 290 cm (L, W, H)
	approx. 7,5 x 6,3 m (L, W)
	90 cm

For younger children, we have designed the „dwarf village with a slide“, which is an eye-catcher on every playground with its pretty semi-circular red roofs. On a low platform height, the children can slowly approach a little height, only to be „rewarded“ with a skim on the stainless steel slide. On the slide tower there is next to the two treads, a climb with holding steele, the cottages have outside rustic window decorations.
