

31.04.03.1. Touch Path with Railing

	approx. 300 x 90 x 90 cm (L, B, H)
	approx. 3 x 0,9 m (L, B)
	15 cm

Little ones can walk barefoot along our Touch Path with Railing, in a playful approach to learning about different materials. The customer is free to fill the individual sections with whichever materials they choose. The Touch Path is a great way to promote learning in young children at crèches and nurseries.
