

50.26.16. Climbing Palm 400

	from approx. 3 years of age on
	approx. 70 x 400 cm (D, H)
	approx. 3,7 m (D)
	150 cm

The two Climbing Palms are excellent for exotic themed playgrounds. Young adventurers can use stainless steel climbing steps to reach two different heights, from where they can enjoy wide views of the surrounding area. The typical pattern of the palm trunks is milled, and the symbolic palm leaves which top the posts are made from powder-coated steel.
